ORDER

BARBARA S. JONES
UNITED STATES DISTRICT JUDGE

By letter dated June 11, 2008, counsel for Defendant Brobulk Ltd. ("Brobulk") sought the rescission of the Court's May 14, 2008 Order concerning a discovery schedule, and a stay of proceedings while the underlying merits are determined in London arbitration. Plaintiff opposed Brobulk's motion in a letter dated June 19, 2008. Having considered the submissions of the parties and Brobulk's "definitive[] state[ment] that it will not file a motion to vacate on the alter-ego issue," the Court agrees with Brobulk that discovery on the alter-ego issue is unnecessary, and therefore GRANTS Brobulk's motion to rescind the Court's May 14, 2008 Order as it pertains to discovery.

SO ORDERED:

BARBARA S. JONES
UNITED STATES DISTRICT JUDGE

Dated: New York, New York
